I. INTRODUCTION

The Student's Ultimate Resource

The **Vietnam Student Guide** serves as the student's personal guide for information, site-specific policy information, responsibilities, expectations, and the rights of Vietnam students. CSU recognizes the delicate balance of work, family, and other commitments while pursuing higher education. This resource was created to assist you while on your journey to degree completion.

The following institutional documents are the student's resources for policies, procedures, and academic and administrative information.

- » [CSU University Catalog](#)
- » [CSU Student Handbook](#)
- » [Vietnam Website](#)
- » [CSU Website](#)
- » [myCSU Student Portal](#)

Scope of the Vietnam Student Guide

The policies and procedures contained in the **Vietnam Student Guide (Guide)** are specific to students attending classes in Vietnam, including staff, faculty, and administration.

The Guide is supplemental to all other university policies, procedures, and institutional documents. Students are encouraged to speak with the Vietnam Site Manager should questions arise. Students with disabilities who need assistance with requesting accommodations should contact the Vietnam Site Manager.

The University reserves the right to revise or update any provision of the Guide with or without notice. The current edition of the Guide supersedes all previous editions.

Communication Guidelines

CSU's Communication Guidelines are located in the [Student Handbook](#). The following items are supplemental to the guidelines to best support Vietnam students.

Vietnam Website

The Vietnam Website offers information specific to students enrolled in classes in Vietnam such as tuition, financing, and other resources.

CSU Student Handbook

The CSU Student Handbook is an official document regarding policies, procedures, and resources of Columbia Southern University. The policies and procedures contained in the handbook are applicable to all members of the CSU community, including students, staff, faculty, and administration.

The handbook serves as the student's personal guide, assisting them in answering questions related to policies and procedures that are both academic and administrative in nature, support services available for student success, academic guidance and the responsibilities, expectations, and rights of students.

Vietnam Student Guide and CSU Catalog

The Vietnam Student Guide and CSU Catalog are two important documents that should be utilized by students on a daily basis. Both documents are highly referenced throughout correspondence with CSU staff and faculty, as they are guides for information related to the student experience. The Vietnam Student Guide outlines policies, guidelines, resources, and contact information; whereas the CSU Catalog outlines program requirements, course descriptions, and much more. The Vietnam Student Guide and CSU Catalog may be found on the Vietnam website and in the myCSU Student Portal.

Face-to-Face Communication

The primary mode of communication for students enrolled in classes in Vietnam is face-to-face communication. Students should communicate with CITC Student Services staff or the Vietnam Site Manager with any questions or concerns that may arise.

III. TUITION AND FEES

The following tuition rates and fees apply to Vietnam students. Students are encouraged to speak with the Vietnam Site Manager should questions arise.

Tuition Rates

Education Level	Cost Per Credit Hour
Online BBA Program	\$154.00
MBA Program	\$202.00
DBA Program	\$307.00

Rates are per credit hour. Most courses are 3 credit hours.

Tuition and fees are payable in U.S. funds. Tuition Rates are subject to change. For the most current tuition information, please visit the [Vietnam Website](#)

Students will be responsible for all textbook fees, to include shipping fees. Note: There are no textbook fees for students enrolled in the DBA program. However, DBA students will be responsible for all textbook shipping fees.

Student Fees

Fees are charged when services are rendered.

Student Fees	Amount
Application - Vietnam	\$0
CSU Library Fee (One-Time Fee)	\$35
CSU DBA Library Fee (One-Time Fee)	\$50
Petition to Graduate	\$100
Technology Fee*	
– Undergraduate (per course)	\$25
– Graduate (per course)	\$35
– Doctoral (per 1 credit hour course)	\$20
– Doctoral (per 3 credit hour course)	\$60

*Technology Fee will be applied to each course that a student enrolls into. This fee is non-refundable after the drop period.

TRAINING SUPPORT FEES

Training support fees are charged for each course in each online and hybrid program. The fees vary by program and can be viewed in the [Tuition and Financing](#) section of the Vietnam website.

The student will be informed of the amount of the support fees prior to enrolling in a program. This fee will not increase as long as the student stays active in the enrolled program. Students who go inactive or withdraw from their program and then return, will be charged the fee in effective at the time of the resumption of their studies.

Additional Fees

Fee	Amount
Bachelor to Associate Degree Request	\$100
Change of Concentration	\$25
Change of Program	\$35
CSU Official Transcript	\$15
Degree to Certificate Request	\$50
In-Program Re-Evaluation	\$25
Priority Evaluation	\$25

Remote Proctor Now	\$19
Replacement Diploma/Certificate	\$25
Subsequent Evaluations	\$35
Term Late Enrollment	\$50
Commencement Ceremony Includes four (4) guests	\$145
Additional Guests	\$25/person

**All students who drop/withdraw from a course after the drop date (7 calendar days) will be charged a one-time Registration fee (maximum of \$200 per degree program).

Proctoring Fees

Additional fees may apply for students utilizing the standard proctoring option. The standard proctoring option is not available for students enrolled in the Vietnam Cohort Term option.

Rush/Ancillary Fees

Additional fees apply for rush services and are sometimes subject to carrier rates.

Incomplete Course Fees

LifePace Learning and Vietnam Term:

LifePace Learning and Vietnam Cohort Term	Amount
15 day	\$25
30 day	\$50
60 day	\$100
Term	
30 day	\$50

Note: Only students enrolled in the DBA program are eligible for this Term incomplete option.

Fees and shipping & handling charges are non-refundable and subject to change.

Payment Options

FULL PAYMENT

This plan allows students to pay 100% of their tuition upon submission of an enrollment.

INSTALLMENT PLAN

This plan allows students to pay tuition in two installments. The first installment (50% of the total tuition) will be due upon submission of an enrollment. The second installment (remaining 50% of the total tuition) will be paid seven months after the first installment. Examinations will not be graded if the student's account is past due.

Note: For alternate payment options, please contact the Vietnam Site Manager.

Tuition Refund Policy

VIETNAM COHORT TERM, LIFEPACE LEARNING, AND TERM

Students who wish to drop/withdraw (See [Official Course Drop/Withdrawal Policy](#)) from a course or withdraw from their program are encouraged to complete [the Official Course Drop/Withdrawal Form](#) provided by Vietnam office; however, students may withdraw in any manner by contacting the Office of the Registrar. Any refunds due will be issued within 30 calendar days from the date the course/drop withdrawal request is submitted to the Vietnam office. All students who drop/withdraw from a course after the drop date (7 calendar days) will be charged a one-time 20 percent Registration Fee (maximum of \$200 per degree program). The remaining tuition will be refunded based on the course start date and the tuition percentage amounts listed below.

IV. ONLINE LEARNING OPTIONS

Vietnam Cohort Term

Students enrolling in the MBA program in Vietnam are enrolled in a cohort learning option. This option consists of four starts per academic year with each term being 12 weeks in length. The academic year for the Vietnam learning option begins in Term 1 and ends with Term 4. All course content is provided in English.

Students enroll through the Vietnam offices located in Hanoi and Ho Chi Minh City. Two courses per term are offered in both locations. Courses offered in this learning option are in a hybrid format. These courses utilize asynchronous delivery through the Blackboard Learning Management System; lectures by course faculty using zoom; tutor-led sessions held two days per week at each location; and face-to-face review of course materials by CSU faculty, who, if travel to Vietnam is possible, travel to Hanoi and Ho Chi Minh City during the last weeks of each term to review for and administer the final exam. If travel to Vietnam is not possible, faculty review sessions are delivered virtually and synchronously by zoom and the final exams are conducted in Blackboard. Course learning outcomes, assignments, and assessments in this cohort learning option align with courses offered in the previously mentioned learning options.

The cohort learning option is only for courses offered in each city that have 10 or more students enrolled. Vietnam students in courses with fewer than 10 students are enrolled in the CSU Term or LifePace Learning options.

LifePace Learning

LifePace Learning (LPL) is an online correspondence learning model and provides a flexible, asynchronous learning format for CSU students. The flexibility of this learning option allows the student to complete courses within a timeframe that aligns with the student's schedule and learning preference.

Students in the MBA and BBA programs may enroll in LPL courses at any time. Start dates are defined and communicated to the student following enrollment processing. Although the standard length of an LPL course is ten consecutive weeks (the end date is set ten weeks from the course start date), students can progress through a course in as few as four weeks or extend the course to as many as 18 weeks.

Additional time beyond the normal course length of ten weeks requires the purchase of a course extension. The course end date is the only required deadline. Students in LPL courses can submit assignments and complete assessments throughout the duration of the course; however, all course work must be submitted before midnight on the evening of the course end date to receive credit for the completed academic work.

The Doctor of Business Administration (DBA) program is not offered in this learning option.

Term

The Term learning option has defined start and end dates consisting of nine weeks (56 days) of instruction in eight units of study. Instruction begins on Wednesday and ends on Tuesday. The Term learning option is designed for distance education students to interact with their instructor weekly. Students enrolled in the Term option follow defined submission dates for all academic work. This learning option provides a structured framework that facilitates on-time course completion, allowing students flexibility throughout the week for assignment completion. Designated login times are not required. Students complete and submit course work at a continuous and pre-determined pace throughout the term. In addition to weekly assignment/assessment due dates, students also interact with course faculty and other class members through weekly discussion boards.

All CSU degree programs are eligible for this learning option.

V. ACADEMIC POLICIES

The following policies contain non-substantive modifications to better serve the Vietnam student community. This section contains a complete list of policies and their respective locations. Students are encouraged to speak with the Vietnam Site Manager should questions arise.

Academic Course Load Policy

Columbia Southern University (CSU) expects students to progress through their program of study at a pace in which students can be successful. CSU encourages continuous, full-time enrollment to ensure timely graduation.

Some students may wish to progress through their program of study at a faster pace. These students are encouraged to work closely with the CITC Student Services staff and/or the Vietnam Site Manager when accelerating course completion beyond the normal course load described below, to develop a plan that will lead to success.

LIFEPACE LEARNING COURSE LOAD POLICY

Normal course load in the LifePace Learning option is 6 semester hours (2 courses) in a given 10-week period. This online learning option allows students to complete their course(s) as quickly as 4 weeks or extend beyond the normal 10 weeks for an additional fee, not to exceed 18 weeks. Students may enroll in 9 semester hours (3 courses) concurrently with the Assistant Provost for International and Consortium Partnership's approval. The CSU International Project Manager reviews and attains approval of course loads upon submission of the enrollment request, and students requesting to exceed normal course load must meet the following requirements:

- Have completed at least 12 semester hours (undergraduate), or 6 semester hours (graduate), at CSU in current degree program
- Have a minimum established GPA of 3.0
- Maintain reasonable academic progress

- Read and understand the CSU probation, suspension, and dismissal policies

The waiver is granted on an individual enrollment basis and students are expected to meet the above requirements for each waiver approval. The maximum course load allowed is 9 concurrent semester hours.

**A full-time load in a ten-week period is six semester hours for undergraduate and three semester hours for graduate.*

VIETNAM COHORT TERM COURSE LOAD POLICY

Normal course load is 6 semester hours (2 courses) in a given 12-week period. This learning option allows students to complete their course(s) as quickly as 12 weeks or extend beyond the normal 12 weeks for an additional fee, not to exceed 20 weeks. Students may enroll in 9 semester hours (3 courses) concurrently with approval from the Assistant Provost for International and Consortium Partnerships. The CSU International Project Manager will seek to attain increased load approval upon submission of the enrollment request, and students requesting to exceed normal course load must meet the following requirements:

- Have completed at least 12 semester hours (undergraduate), or 6 semester hours (graduate), at CSU in current degree program
- Have a minimum established GPA of 3.5
- Maintain reasonable academic progress
- Read and understand the CSU probation, suspension, and dismissal policies

The waiver is granted on an individual enrollment basis and students are expected to meet the above requirements for each waiver approval.

**A full-time load in a twelve-week period is nine semester hours for undergraduate and six semester hours for graduate.*

Note: Students enrolled in the DBA program should refer to the [DBA Academic Course Load Policy](#) in the Student Handbook.

Grading Policies

CSU students can view course grades at any time through Blackboard or by visiting the [myCSU Student Portal](#). The myCSU Student Portal provides students the option to print course grade reports, review all assignment grades for courses completed at CSU, and print an unofficial transcript.

Course specific grading information is available within each Course Syllabus, to include assignment weights.

GRADING SYSTEM

The following scale is used to determine final course grades and are recorded on the CSU transcript unless noted:

Grading		Quality Points per Credit Hour
A	90-100	4.00
B	80-89	3.00
C	70-79	2.00
D	60-69	1.00
F	59-0	0.00
W	Withdrawn	0.00
W/F	Withdraw/Fail	0.00
I	Incomplete/Extension	0.00
IP	In Progress	0.00
R	Retake	0.00
DN*	Dropped for Non-Attendance	0.00
DP	Dropped from Course	0.00
DC*	Institutional Drop	0.00
S	Satisfactory Progress	0.00
U	Unsatisfactory Progress	0.00
W/U	Withdrawal/Unsatisfactory	0.00

*Not recorded on the CSU transcript.

GRADE DESCRIPTIONS

Final course grades of A, B, C, and D generate quality points as described in the grading system table, are included in the cumulative grade point average (GPA), and are counted towards hours attempted to determine Satisfactory Academic Progress (SAP).

Course grades of W, I, IP, R, DN, DP, DC, S, U, and W/U do not generate quality points and are not normally included in the cumulative GPA. However, grades of W, I, R, S, U, and W/U are calculated as attempted hours to determine SAP.

While final grades of F and W/F do not generate quality points, they are included in the GPA and counted towards hours attempted to determine SAP.

A grade of IP is assigned as a placeholder when a student is in the process of completing a course during original

course start and end dates. In cases where a student has been granted additional time to complete course assignments (Incomplete or Extension), a grade of “I” will be assigned as a placeholder until an earned grade is determined.

GRADE POINT AVERAGE

The grade point average (GPA) is computed by dividing the total number of quality points by the total number of hours completed.

GRADING RUBRIC

Columbia Southern University has established functional scoring rubrics for all assignment types (e.g., research paper, case study, article critique). The rubrics are located in Blackboard units with the assignments and are available for student review. Faculty apply the rubrics to evaluate the assignments and enter the scores and feedback directly into the rubric located with the assignment. There are also non-functional scoring rubrics for written response assessment items and discussion forums. The written response rubric is found in the unit assessment directions, and the discussion forum rubric is found in the Unit I Discussion Board. Faculty apply these rubrics in scoring the items and provide summative feedback in the “Feedback to Learner”, which is found in the gradebook.

GRADING TIMEFRAMES

CSU requires all assignments to be graded in a timely manner.

- Unit Assessments and Final Examinations are required to be graded within three days of submission.
- Papers, Projects, Article Critiques, and Case Studies are required to be graded within five days of submission.
- Assignments in the DBA program may allow a seven, ten, or fourteen-day grading time period.

Please Note: There may be times in which a grading delay could occur due to extenuating circumstances. These delays will be communicated appropriately.

ASSIGNMENT SUBMISSION TIMEFRAMES

Vietnam Cohort Term Learning Option:

- Cohort Term courses are 12 weeks in length.
- All assignments are required to be submitted by the end of the 10th week according to the submission dates as outlined above.

- The last two weeks of the term are designated time for the US professor to visit, review the course, and administer the Final Exam.
- A 50/50 policy on turning in assignments is applied. The first half of course assignments must be completed and submitted by the end of week five. Students will turn in the assignments for the second half of the course by week ten of the course.
- Any assignments not submitted by the required deadline may result in the following grade reductions:
 - 7 days past due – 5 points
 - 8-14 days past due – 10 points
 - 15 days or more past due – 15 points

CONTESTING GRADES

Students who feel that a grade awarded is inconsistent with published policy, course syllabi, rubric item, or assignment requirements should address the grade with their faculty member during the course. At the conclusion of the course, should the student remain dissatisfied with the rendered grade, the student may contest the grade by following the steps outlined within the Academic Complaint and Grievance Policy.

RELATED POLICIES

Students enrolled in CSU courses, including the DBA dissertation courses, are expected to meet attendance and participation requirements. Please refer to the Attendance Policy and Unofficial Withdrawal Policy to learn more details.

To learn more about SAP, which may impact federal student aid eligibility, please refer to the Satisfactory Academic Progress Policy.

To learn more about incomplete grades and course extensions, students may wish to refer to the Incomplete Grading Policy and Course Extension Policy.

Course Extension Policy

Students enrolled in LifePace Learning and Vietnam Cohort Term courses may request additional time to successfully complete coursework in excess of the allotted enrollment period. Requests for a course extension should be the exception during a student's tenure, as academic progress throughout the course promotes student success.

If the student has an extenuating circumstance or a hardship, and needs additional time, the student should

refer to the Incomplete for Special Circumstances section of the Incomplete Grading Policy for more information.

Course Extensions

Any student who needs time in excess of 10 weeks (Lifepace) or 12 weeks (Vietnam Cohort Term) to complete a course may request an extension from the University. Students are encouraged to submit the Course Extension Request Form on or before the course end date; however, requests must be submitted no later than three (3) calendar days after the course end date, unless approved by the Lead Faculty. Three extension options are available to students, each with associated, non-refundable processing fees: 15 days for \$25, 30 days for \$50, and 60 days for \$100. The total length of the course extension is not to exceed 60 days. Additional time applied to a course will begin at the previous course end date. The student should allow up to three (3) business days to process an extension prior to the first assignment due date.

Students provided an extension will see a grade of "I" until the course is complete. A grade will replace this placeholder upon completion of the extension period. At that time, unsubmitted course assignments will be assigned a grade of zero. The student's grade will be calculated on the weighted scores earned on all course assignments. The final course grade will replace the placeholder of "I".

Other Considerations

- A course extension request should **not** be submitted for a course in which assignments need to be resubmitted or if all assignments have been submitted and/or graded.
- Students approved for an extension forfeit the option to withdraw from the course after the original course end date, pursuant to the *Official Course Drop/Withdrawal Policy*. Students should refer to the *Withdrawal for Special Circumstances Policy* if extenuating circumstances prevent course completion.
- A service member utilizing Tuition Assistance should contact his or her education officer to report an extension in order to avoid inaccurate recoupment of funds. It is the responsibility of the student to notify the education office of his or her final course grade at the conclusion of the extension period.

Official Course Drop/Withdrawal Policy

A student's notification to drop or withdraw may be conveyed to CSU in any manner. Students requesting to drop or withdraw from a course or program should submit the Course Drop/Withdrawal form provided by

CITC. Details regarding tuition refunds as a result of a drop or withdrawal are described in the Tuition Refund Policy.

COURSE DROP

Students are allowed to drop a course through the term "drop date" as listed on the academic calendar (normally the first week of the course) without financial penalty. A grade of "DP" will be recorded for the course. Dropped courses will appear on the student's official transcript but do not count as hours attempted in the Satisfactory Academic Progress (SAP) calculation. The course drop date is determined by the date the request is received.

COURSE WITHDRAWAL

A course drop/withdrawal request submitted after the term drop date and before or on the original term/course end date will be considered a course withdrawal. A grade of "W" will be issued. The grade of "W" will appear on the student's transcript but will have no effect on the student's cumulative GPA. However, the course will count toward hours attempted (completion ratio and maximum timeframe). Students who demonstrate a pattern of withdrawals are at risk for academic dismissal per the Institutional Academic Progress Policy.

Student Rights and Responsibilities Policy

STATEMENT OF POLICY

Columbia Southern University (CSU) provides students and the University community with an environment that fosters academic success and achievement. The mission of CSU is to provide exceptional service that fully supports student learning with integrity, flexibility, fairness, and respect. Students at CSU are members of a university community committed to basic and broadly shared ethical principles and concepts of integrity, justice, autonomy, commitment to excellence, code of honor, respect and responsibility.

Students who choose to attend CSU accept student rights and responsibilities as members of the university community and agree to abide by policies set forth in the CSU Catalog and Vietnam Student Guide. Each student holds the right and ability to make individual decisions about their personal conduct and is responsible for their behavior. Furthermore, each student also holds the

responsibility to live with the consequences of their personal decision making.

CODE OF HONOR

CSU entrusts each student to maintain academic honesty, personal integrity, and responsible citizenship. We find these ideals are essential to the performance of all academic work and other student activities as members of the university community. The Code of Honor is embodied by these ideals with the support of students, faculty, and staff. Student enrollment into a program of study presupposes a commitment to the principles embodied in the Code of Honor. Each student should hold oneself and fellow students accountable to their commitment to the Code of Honor.
