* Course Equivalency/General Notes:

- Program Elective application is dependent upon program director approval and is only possible in multiples of three semester hours.
- Credit for a Coral Springs Regional Institute of Public Safety course that is used to complete multiple certificate programs can only be awarded transfer credit once in a CSU degree program.
- Refresher courses are not worth transfer credit.
- Credit awarded is subject to degree requirements at the time of enrollment and current transfer credit policy, which are subject to change.

** Fire Investigator credit:

- Credit for FIR 4305 Fire Investigation and Analysis is possible if the Florida Bureau of Fire Standards and Training Fire Investigator certificate is submitted.

*** EMS Notes:

- Only the most advanced EMS certification will be considered for transfer to CSU degree program.
- State or NREMT license must be submitted for possible transfer credit to undergraduate CSU degree programs.
- Admission to the Associate of Science in Emergency Medical Services degree program and possible paramedic transfer credit to the Paramedic Core category will be considered with an active state or NREMT Paramedic license.
